NTT erhält Global Partner Award von Splunk

ISMANING, Deutschland, 13. Oktober 2020 – NTT Ltd., ein führendes, weltweit tätiges IT-Dienstleistungsunternehmen, ist der Global Alliance Partner des Jahres 2020 von Splunk. NTT erhält die Auszeichnung für seine außergewöhnliche Performance im Splunk-Partnerprogramm.

Das US-amerikanische Unternehmen Splunk, Anbieter der Data-to-Everything-Plattform, verleiht die Auszeichnung „Global Alliance Partner of the Year“ Firmen, die dem Partnerschaftsgedanken eine hohe Bedeutung beimessen. Technische Integrationen, gemeinsame Vertriebsaktivitäten, Marketingkooperationen und eine belegbare Kundenzufriedenheit sind Schlüsselemente bei der Ermittlung des Splunk-Allianzpartners des Jahres.

NTT erweitert kontinuierlich sein Security-Services-Portfolio, nicht zuletzt hinsichtlich der Optimierung von Anwenderinvestitionen in Big-Data-Plattformen für das Security Incident und Event Management; Splunk ist in diesem Bereich ein wichtiger Partner. Auch im NTT-Angebot Security Operations Center as a Service (SOC as a Service) ist die führende Technologie von Splunk ein wichtiger Bestandteil.

NTT Ltd. Recognized in 2020 Splunk Global Partner Awards

NTT named 2020 Global Alliance Partner of the Year Winner for Outstanding Performance

UK, London, 9 October 2020 – NTT Ltd., a world-leading global technology services provider, today announced it has received the 2020 Global Alliance Partner of the Year award for exceptional performance and commitment to Splunk's Partner+ Program. The 2020 Global Alliance Partner of the Year award recognizes a global Splunk partner who exemplifies the true meaning of partnership and alliance. Technical integrations, joint selling, unique offerings, joint marketing, and demonstrated customer satisfaction are key elements in determining Splunk's Alliance Partner of the Year. For more information on Splunk's Partner+ Program, visit the Splunk website.

“We are honored to be recognized as Splunk's Global Alliance Partner of the Year,” said Matthew Gyde, CEO for the Security division at NTT Ltd. “As NTT expands our security services portfolio including optimization of clients' investment in Big Data platforms for security incident and event management, Splunk is a critical partner. Our Security Operations Center as a Service (SOC as a Service) offer has built traction in the marketplace, closely aligned with Splunk's leading-edge technology. As our clients navigate the new normal of a hybrid, distributed workforce with constantly changing threats against infrastructure, applications, operations technology, and supply chains, they are looking for partners who can offer a Secure by Design approach that builds in security from the start. NTT is pleased to continue growing our partnership with Splunk in meeting this demand.”

“Congratulations to NTT for being named the 2020 Global Alliance Partner of the Year,” said Bill Hustad, VP, Global GTM Partners, Splunk. “The Global Partner Awards highlight outstanding partners like NTT that deliver positive business outcomes and drive value for our joint customers with the Splunk Data-to-Everything Platform. Additionally, NTT demonstrates a commitment to customer success and works in close collaboration with Splunk.”

The Splunk Partner Awards recognize partners of the Splunk ecosystem for industry-leading business practices and dedication to constant collaboration. All award recipients were selected by a group of the Splunk executives, theater leaders and the global partner organization.

NTT Ltd. Security is a division of NTT Ltd., a global technology services company. The Security division helps clients create a digital business that's secure by design. With unsurpassed threat intelligence, we help you to predict, detect, and respond to cyberthreats, while supporting business innovation and managing risk. Security has a global network of Security Operations Centers, seven R&D centers and over 2,000 security experts, and handles hundreds of thousands of security incidents annually across six continents. We ensure that resources are used effectively by delivering the right mix of Managed Security Services, Security Consulting Services and Security Technology. NTT Ltd. works with organizations around the world to achieve business outcomes through intelligent technology solutions. For us, intelligent means data driven, connected, digital and secure.
